### COFFEE, TEA, PASTRIES

**Coffee Houses:** All good! “Cafeine” (was “Coffee Inn”) chain looks to the college Rīgas and is therefore, cheaper. “Costa Coffee” chain looks to the business Rīgas and is more expensive. “Double Coffee” chain is more expensive again.

**Tea Houses:** My two favorites have cozy two-floor cottages: “Aspara” 1) @Vermanes Park across from the smaller Radisson Blu on Elisabete iela, and 2) @ Canal across @ near intersection of Rainis Bulv. and Kr. Barona iela.

**Pastry shops** are called; “Konditoreja”. So many good ones!

### RIMI

This supermarket is on the ground floor of the Gallerija Rīga mall on Dzirnava iela. You can find deli items as well as basic foodstuffs for preparing meals. Gallerija Rīga is the glass-encased building with “H+M” in large letters in front.
